Liberal Politician!

LOADED WITH ACCESSORIES!

Mayor Michael "TOXIC" Bloomberg uses the rainbow flag during Pride Month — then he dons a shamrock for the famously homophobic St. Patrick's Day Parade. Watch him transform from friend to foe in an instant.

NOW MORE BENDABLE THAN EVER!

Senator Hillary "TOXIC" Clinton may march in the 2006 Pride Parade, but she'll sell out your rights to conservative voters by Election Day 2008.

100% PURE PLASTIC PLATFORM!

Senator Chuck "TOXIC" Schumer believes that marriage should be between a man and a woman. You might expect this to tarnish his credibility as a Pride supporter, but although it's fake, plastic is durable!

MADE IN AMERICA!

Both of these "TOXIC" Senators from New York voted to authorize President Bush's invasion of Iraq. Republicans buy Liberal Politicians wholesale!
