It's the **RADICAL HOMOSEXUAL AGENDA** versus...

Includes Pink  
Gasmask!

The **Tolerant  
Society!**

**TOLERANCE IS TOXIC!**

Demanding mere “tolerance” from heterosexuals means queers are free to “choose” any “lifestyle”—in silence and invisibility. The 1969 Stonewall Riots would have been too much to handle for most straight people who claim “tolerance” today.

**TOKENISM IS TOXIC!**

Seeing another rich, white homosexual-in-name-only on prime-time sitcoms and premium cable channels does little for skyrocketing hate-crime statistics.

**PROTEST PENS ARE TOXIC!**

Fuck bureaucratic Pride March “applications.” Fuck metal barriers up and down Fifth Avenue sidewalks on parade day. Fuck “free-speech pens” for protesters. Public space equals space that’s public.

**CONFORMING TO THE NORM IS TOXIC!**

Thirty-seven years after Stonewall, homosexuality is policed in the streets, in schools, in the media, and in families. Compulsory heterosexuality is everywhere.
